Starting A Helmet Law in Idaho

I am the Director of the Northwest Passage HOG Chapter in Lewiston, Idaho, and would like to get information and help on starting a helmet law in Idaho.

Bicyclists wear helmets when they ride, but when they ride a motorcycle they don't have to wear a helmet. I know that helmets save lives. As motorcyclists we wear leathers, boots, glasses, gloves; why not finish the job and wear a helmet?

I have written my state officials and was told that they would start a bill in that direction, but they would need some "facts to justify the bill." I need help, so anyone who is interested in this, please send me an email with the subject "Helmet Law for Idaho."
