Old business:

Suzy's ride was good a little rain, but good company. A motion was made and passed at the October meeting that stated, "The chapter would pay for new flowers for Suzy's memorial". Flowers were purchased and placed at her highway memorial. The M.S ride had 28 plus bikes, we were able to raise \$2500 with the poker run, auction, generous donations from local business and personal donations. Last meeting we made a motion that stated. "The officers would check further into bike pack," The officers stated that they thought Bike Pak can do a lot on the legislation side for bikers. Another motion was made, "We will wait until December's meeting to vote on joining bike pak at \$100 as a chapter." Mani still needed wood for his Veterans party. Rocky has a load, but needs someone to load and unload it for him, Fred has wood that he will bring out at the party, And Jim has wood, but no pick up to haul it in. Mani's Veterans party is November 10th and 11th.

New business:

We need to bring dates to the December meeting so we can get our 2008 Callander ready. A motion was made and passed "we will have a M.S ride next year in October, every year after that, in November we will vote on having this ride for the following years." Next Year we will combine Suzy's ride with the M.S ride. Fred and Bob announced they would like to get a September birthday ride set up for next year, to be held the second week of September. A motion was made and passed " we will hold broomstick pool tournaments after the meetings to raise money for the chapter." We will rotate between Shooters, Timber Inn and the Wrangler for these tournaments. We will make sure we give the bars notice in advance so they can have the tables available. The Wrangler will donate the tables.
